# Chunky Style with Solid Oak Tops

## Radleigh Character

The wood for Radleigh is specially chosen with knots and cracks to create a deliberately aged feel and appearance making each piece unique and full of character. The drawers and tops are slightly rounded on the edges to add a smooth well worn feel.

Knots, cracks and colour variations add character to Radleigh

Radleigh is made with solid Oak tops and painted or natural wood bases and legs and is deliberately distressed. A characteristic of Oak is its natural imperfections such as knots, cracks, blemishes and colour variation. These features are a natural part of any real wood product and make each piece of furniture unique.

Care should be taken to avoid extremes of heat and moisture which may adversely affect the wood. As with all wooden furniture there is likely to be some movement while the wood adjusts to its atmospheric conditions.

Our policy is one of continual improvement. We therefore reserve the right to alter designs, dimensions, availability and price without prior notice. All dimensions are correct at the time of printing. Imperial measurements are rounded to the nearest quarter or half inch, and metric measurements are rounded to the nearest 5 or 10mm. Articles used for decoration and styling are not included with the products offered. Colours are as accurate as the printing process allows. All copyright, design rights and other intellectual property rights in our products and designs are and remain the property of Corndell Furniture Co Ltd.
