

Helix *by* CORNDELL

Why buy Helix?

Helix is superbly crafted from European oak solids and veneers, manufactured in the UK and has a choice of four great finishes.

Helix offers a range of flexible modular storage and audio visual solutions to create a modern look for your home.

The 'IT IS Great British Furniture' is an initiative designed to increase awareness of the key factors that make British made furniture great in the eyes of the consumer, retailers, contract specifiers, architects and the wider international audience, and we at Corndell are very proud to be included as manufacturers of Great British Furniture.

Versatility

The collection includes floor standing and wall hanging pieces that perfectly complement each other and provide practical storage and a fresh look for your living space. The design features include 'floating' tops, internal lighting to glazed pieces and metal bar handles. All glass shelves and glazed doors are made from toughened glass. Each base section has a removable wooden shelf.

Variety

The four durable lacquered finishes, Mist, Satin, Chestnut and Dark are smooth to the touch and have a subtle sheen.

Durability

Helix is handmade from oak, which has always been the favourite wood of UK furniture manufacturers because of its strength, durability and beauty.

Linear styling

Stylish metal handles

Internal LED lighting

Floating style solid oak tops

Finishes

Four attractive finishes are available for this furniture.

To order your chosen finish, please prefix the model code with the appropriate finish prefix. For example an H102 in Mist finish should be ordered as HM102.

Please note: Individual products in this brochure are photographed in the Mist finish.

Mist

A pale durable lacquer is applied to the wood. The finish is smooth to the touch and has a gentle sheen.

Satin

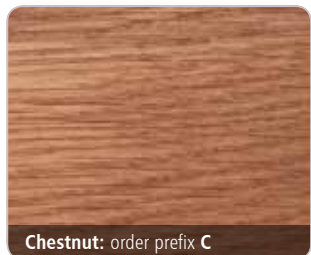

A golden durable lacquer is applied to the wood. The finish is smooth to the touch and has a gentle sheen.

Chestnut

A durable, smooth to the touch, rich chestnut silky lacquer.

Dark

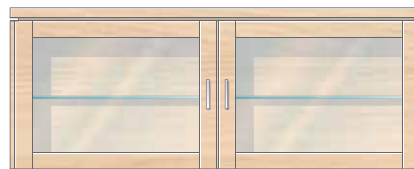

A dark stain is applied to the wood to give the rich dark colour then the satin lacquer is applied to seal the colour and give protection and a sheen to the surface.

Corn dell Furniture Co Ltd.
Witney, Oxfordshire OX29 7DZ

www.corn dell.com

To ensure durability Helix is made from a combination of solid oak and veneered panels. A characteristic of oak are its natural imperfections such as small knots, cracks, blemishes and slight colour variation. These features are a natural part of any real wood product and make each piece of furniture unique.

Care should be taken to avoid extremes of heat and moisture which may adversely affect the wood. As with all wooden furniture there is likely to be some movement while the wood adjusts to its atmospheric conditions.

Our policy is one of continual improvement. We therefore reserve the right to alter designs, dimensions, availability and price without prior notice.

All dimensions in this brochure are believed to be correct at the time of printing, but may subsequently vary, therefore if dimensions are critical please check with your retailer. Imperial measurements are rounded to the nearest quarter or half inch, and metric measurements are rounded to the nearest 5 or 10mm.

Articles used for decoration and styling are not included with the products offered. Colours are as accurate as the printing process allows. All copyright, design rights and other intellectual property rights in our products and designs are and remain the property of Corn dell Furniture Co Ltd.
