CORNDELL

Westport offers the best of both worlds, authentic colonial styling with a present-day easy to maintain lacquered finish and smooth metal drawer runners

A ten piece bedroom range made from Ash, Westport has a sumptuous rich brown finish which radiates warmth and enhances the natural grain of the wood.

Distinctive corner profiles, side panel details and individual metal handles are evidence of the attention to detail that has been applied to this range of classical furniture.

Westport is made from Ash and is deliberately aged and distressed. A characteristic of Ash is its natural imperfections such as knots, cracks, blemishes and colour variation. These features are a natural part of any real wood product and make each piece of furniture unique.

Care should be taken to avoid extremes of heat and moisture which may adversely affect the wood. As with all wooden furniture there is likely to be some movement while the wood adjusts to its atmospheric conditions.

Our policy is one of continual improvement. We therefore reserve the right to alter designs, dimensions, availability and price without prior notice. All dimensions are correct at the time of printing. Imperial measurements are rounded to the nearest quarter or half inch, and metric measurements are rounded to the nearest 5 or 10mm. E & OE.
