Radius Furniture

Radius is a uniquely styled bedroom collection made from birch solids and veneers* with a rich dark brown lacquered finish. Designed in-house by Corndell it features a silky smooth finish, with beautifully crafted rounded edges to the top and sides, and a distinctive groove between the panels. The titanium finished handles complement the style and add a touch of panache to the range.

The choice of wardrobes and variety of chests offers flexible and practical storage and the sleek bed, which continues the beautiful round edges and distinctive groove, completes this impressive collection.

Radius is easy to care for and is a high quality, modern range with great character, that will enhance any bedroom for many years.
