# Country Cottage

simple, natural solid wood furniture

COUNTRY COTTAGE is a range of strong, durable furniture made in the UK from solid pine. It features panelled doors, dovetailed joints in drawers and interlocking pine backs in drawers and drawer bases.

The rustic and simple style combined with large storage capacity make Country Cottage both practical and beautiful furniture for any room in your home.

## FINISH CHOICE

Country Cottage comes with a choice of finish. You may choose either a gentle wax finish which gives a soft matt appearance or a smooth oiled finish known as Verona which gives a more glossy appearance and highlights the natural characteristics of the wood. Your retailer has real wood samples of both finishes.

For Wax finish – prefix product number with a **W**. Eg. 401 beside Wax finish order as **W401**.

For Verona (oiled) finish – prefix product number with a **VR**.  
Eg. 401 beside Verona finish order as **VR401**.

All items shown in this brochure are shown with the Wax finish.

A characteristic of pine is its natural knots, blemishes and colour variations, these features are part of any wood product and make each piece of furniture unique. Care should be taken to avoid extremes of heat and moisture which adversely affect the wood. As with all wooden furniture there may be some movement while the wood adjusts to its atmospheric conditions.
