Kingsleigh Furniture

Kingsleigh is an oak living and dining collection in an Arts and Crafts style, with signature black metal handles and decorative vertical struts, which also give it an oriental feel. It is available in a choice of either Ember, a rich burnt orange coloured lacquer or Satin, a gently stained natural lacquer.

Designed in-house by Corndell, Kingsleigh is being handmade at our Oxfordshire based factory. This solid, durable furniture is made using traditional construction techniques.

Kingsleigh is introduced with a collection of 14 well proportioned pieces and offers an impressive look for living and dining rooms.
