Metropolitan

# Metropolitan Furniture

Metropolitan is a refined, sophisticated collection which reflects the shift in furniture fashion to a more elegant, romantic styling. Made from ash, the warm tan finish gives a luxurious feel to the wood, and the classically simple ivory and ivory/tan finishes have a gentle charm.

The range has been designed in-house by Corndell, and is being produced at our Oxfordshire based factory.

Metropolitan is a well proportioned collection offering two sizes of bed, a choice of bedside tables, a variety of chests, a classic double and spacious triple wardrobe. All pieces are hand made and finished with a hard wearing lacquer. Metropolitan is an elegant look for any bedroom.

To ensure durability Metropolitan is made from a combination of solid ash and veneered panels. A characteristic of ash are its natural imperfections such as small knots, cracks, blemishes and slight colour variation. These features are a natural part of any real wood product and make each piece of furniture unique.

Care should be taken to avoid extremes of heat and moisture which may adversely affect the wood. As with all wooden furniture there is likely to be some movement while the wood adjusts to its atmospheric conditions.

Our policy is one of continual improvement. We therefore reserve the right to alter designs, dimensions, availability and price without prior notice. All dimensions in this brochure are believed to be correct at the time of printing, but may subsequently vary, therefore if dimensions are critical please check with your retailer. Imperial measurements are rounded to the nearest quarter or half inch, and metric measurements are rounded to the nearest 5 or 10mm. Articles used for decoration and styling are not included with the products offered. Colours are as accurate as the printing process allows.
