Nimbus Bedroom Collection

Practical storage and clean lines are the signature of the Nimbus bedroom collection.

It offers a comprehensive range of chests, wardrobes and beds and provides a flexible, stylish solution to bedroom furnishing.

The choice of chests includes some with extra deep drawers, all wardrobes are lockable and come with an internal shelf and hanging rail. For the triple wardrobe an additional shelf kit is available (comprising three shelves) which fit inside one section of the robe.

Nimbus beds are available in two styles, the Strata and Panel. As well as the conventional bed sizes of 3ft, 4ft 6 inches, and 5ft, Nimbus also offers a 6ft version of the Strata bed and a visitor version of the single beds. The visitor versions can be used as twin beds or as a double.

To ensure durability Nimbus is made from a combination of solid oak and veneered panels. A characteristic of oak are its natural imperfections such as small knots, cracks, blemishes and slight colour variation. These features are a natural part of any real wood product and make each piece of furniture unique.

Care should be taken to avoid extremes of heat and moisture which may adversely affect the wood. As with all wooden furniture there is likely to be some movement while the wood adjusts to its atmospheric conditions.

Our policy is one of continual improvement. We therefore reserve the right to alter designs, dimensions, availability and price without prior notice. All dimensions in this brochure are believed to be correct at the time of printing, but may subsequently vary, therefore if dimensions are critical please check with your retailer. Imperial measurements are rounded to the nearest quarter or half inch, and metric measurements are rounded to the nearest 5 or 10mm. Articles used for decoration and styling are not included with the products offered. Colours are as accurate as the printing process allows.
