Nimbus

# The Living Collection

The well proportioned living collection offers a wide choice of pieces with excellent storage and display space. There are bookcases with adjustable drawer sections, stylish glazed display pieces with internal lighting, lockable doors and toughened glass shelves and doors, functional TV and hi-fi cabinets. All this combined with a great variety of coffee and occasional tables means that Nimbus has something for every size of living space.

The Nimbus living collection has been thoughtfully designed to provide stylish, practical solutions to living room storage and presentation needs.

To ensure durability Nimbus is made from a combination of solid oak and veneered panels. A characteristic of oak are its natural imperfections such as small knots, cracks, blemishes and slight colour variation. These features are a natural part of any real wood product and make each piece of furniture unique.

Care should be taken to avoid extremes of heat and moisture which may adversely affect the wood. As with all wooden furniture there is likely to be some movement while the wood adjusts to its atmospheric conditions.

Our policy is one of continual improvement. We therefore reserve the right to alter designs, dimensions, availability and price without prior notice. All dimensions in this brochure are believed to be correct at the time of printing, but may subsequently vary, therefore if dimensions are critical please check with your retailer. Imperial measurements are rounded to the nearest quarter or half inch, and metric measurements are rounded to the nearest 5 or 10mm. Articles used for decoration and styling are not included with the products offered. Colours are as accurate as the printing process allows. All copyright, design rights and other intellectual property rights in our products and designs are and remain the property of Corndell Furniture Co Ltd.
