Classical Grandeur
By Corndell

Portman

Portman Furniture

Portman is a living and dining collection made from a combination of solid hardwood panels and selected veneered panels.

Finished in a chocolate brown lacquer and featuring a dark patina to its edges, a stepped cornice and panelled doors it has a bold stature.

This well designed range has interesting attributes including sliding doors on the glazed display unit, stylish drop handles and bookcases with central drawers.

Portman is spacious and provides practical storage with an air of modern grandeur.
