Finishes

Four attractive finishes are available for Harvest furniture. To order your chosen colour, please prefix the model code with the appropriate order letter. For example a 211 (with bun feet) in Honey colour should be ordered as H211.

Please note: Individual products in this brochure are photographed in the Honey finish. As furniture finished in Calico ages, please be aware that the natural texture of the pine may become more visible, however this will not lead to a discolouration of the finish.

Fabrics

Chairs and stools can be covered in the fabric of your choice from the range of fabrics held by your retailer. These fabrics have been carefully selected to complement the Harvest range. Samples are available, please ask your Harvest stockist.

Please see our website for our latest range of fabric choices - www.corndell.com

All fabrics comply with British safety regulations.

Feet

Harvest is available with either bracket or bun feet. Bun feet are supplied as standard. To order Harvest with Bracket feet please add a 5 to the beginning of the model code. For example, a 211 with bracket feet should be ordered as 5211.

Please note: Bracket feet add 25mm (1 inch) to the printed heights in the brochure. All products marked ◆ beside their code number can have bracket or bun feet.

www.cornnell.com

Harvest is made from solid pine. A characteristic of pine is its natural imperfections such as small knots, cracks, blemishes and slight colour variation. These features are a natural part of any real wood product and make each piece of furniture unique.

Care should be taken to avoid extremes of heat and moisture which may adversely affect the wood. As with all wooden furniture there is likely to be some movement while the wood adjusts to its atmospheric conditions.

Our policy is one of continual improvement. We therefore reserve the right to alter designs, dimensions, availability and price without prior notice.

All dimensions in this brochure are believed to be correct at the time of printing, but may subsequently vary, therefore if dimensions are critical please check with your retailer. Imperial measurements are rounded to the nearest quarter or half inch, and metric measurements are rounded to the nearest 5 or 10mm. Articles used for decoration and styling are not included with the products offered. Colours are as accurate as the printing process allows. All copyright, design rights and other intellectual property rights in our products, designs and images are and remain the property of Cornnell Furniture Co. Ltd.
